Declaration of Conformity

Hereby, the manufacturer declares that this product complies with the basic safety and health requirements of the Machine Directive 2006/42/EC, the EMC Directive 2004/108/EC, and the Ecodesign Directive 2009/125/EC. The conclusive declaration of conformity can be found at [link].

Disposal

 Meaning of the “Crossed-out Wheelie Bin” Symbol

- Protect our environment and do dispose of electrical equipment in the domestic waste.
- Please return any electrical equipment that you will no longer use to the separate waste bins provided for this purpose.

This label is a symbol that indicates the presence of substances which are hazardous to health or the environment.

This will prevent the incorrect disposal of electronic waste and enforce the recycling of waste electrical and electronic equipment.

Information concerning where the equipment is to be disposed of can be obtained from your local authority.
