4. Usage

Follow the simple steps below to set up your ThermoPro Bluetooth Thermometer/Hygrometer and remotely monitor the temperature and humidity of your living room, bedroom, greenhouse and etc. from your smartphone!

Step 1: Download and install the "ThermoPro Sensor" App.
Scan the QR code above, or search for "ThermoPro Sensor" on the Apple Store for iOS devices or on the Google Play Store for Android devices. Download the app and install it on your smartphone.

Step 2: Enable Bluetooth on your smartphone under the smartphone Settings section. If your smartphone has Bluetooth enabled, you can skip this step.

Step 3: Insert 1 x AAA battery into the battery compartment on the back of the thermometer in correct polarity (+) and (-) as indicated. The temperature and humidity will be displayed on the screen.

Step 4: Launch ThermoPro Sensor APP and press "+" to add a thermometer. The thermometers will be shown on a list and select one to pair. Once pairing is complete,

the current temperature and humidity will show on the APP.

5. Declaration of Conformity
Hereby, the manufacturer declares that this product with the basic requirements and applicable regulations of the Radio Equipment Directive 2014/53/EU, the EMC Directive 2014/30/EU. The complete declaration of conformity can be found at: https://buythermopro.com/eu-declaration-of-conformity/.

6. Disposal of the Electronic Appliance

This electronic appliance should not be disposed of with normal household waste. Dispose of the unit at an approved facility or at your local recycling center. Please observe the current rules and regulations when disposing of the appliance. Contact your local council if in doubt.

7. Limited One-Year Warranty
ThermoPro warrants this product to be free of defects in parts, materials and workmanship for a period of one year, from

date of purchase.

Should any repairs or servicing under this warranty be required, contact Customer Service by phone or email for instructions on how to pack and ship the product to ThermoPro.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
